Wikipedia - Invisible

Monsters is a novel by Chuck Palahniuk, published

in 1999. It is his third novel to be published, though it

was his second written novel (after *Insomnia: If You Lived Here, You'd Be Home Already*).

The novel was originally supposed to be Palahniuk's first novel to

be published, but it was rejected by the publisher for

being too disturbing. Wed, 05 Dec 2018 10:33:00
